TEACHERS FIGHT FOR ADEQUATE SCHOOL RELIEF

Ill. Teachers Association Backs Emergency Relief Program

What do the teachers of Illinois think of the school tax problem now confronting the Illinois assembly? General sentiment as expressed in an editorial in "The Illinois Teacher" reveals that they feel that the "ambiguous and indefinite statements made by the Governor at the opening meeting of the third special session make it extremely difficult for us to convince the General Assembly that the Governor wants to do something really constructive and effective in providing school revenues."

In the message he stated: The State appropriation in aid of our schools now provides for the sum of \$10,000,000 annually. In previous years this sum has not been paid in full because of insufficient tax collections, but payment in full now seems to be assured this year by reason of the retailer's occupation tax and the tax on the sale of alcoholic liquors. . . . Laws should be enacted which will enable local communities to support their schools, but not to disturb the fiscal affairs of the State. He proposed consolidation of many one-room schools as an efficiency and economy measure.

According to this statement, the schools would be in no better position than before, as most local communities are already taxing themselves to the limit by property taxes which are all that small districts can levy. The funds are not enough; and it is not practicable for the local communities to take over the levy and collection of revenues now being collected by the State—auto licenses and gasoline taxes, for example.

"If \$10,500,000 appropriation is all that the State proposes to give, many of our schools are sentenced to starvation or closing."

Emergency Program

After the above criticism, the legislative emergency program of the Illinois State Teachers Association is offered:

1. Provision by the State for paying immediately to the elementary schools the arrearages of approximately \$12,000,000 in the state common school fund.

This will probably require a bonding bill and five or six other companion bills to provide the money immediately as the money was provided for a employment relief.

2. An appropriation by the State of \$2,800,000 for emergency relief for high schools.

3. Repeal of the Law for limiting school district levies to the average of the levies for the last four years.

This is necessary because some districts made lower levies for three years and no levy at all for one year, and this reduces their average to less than this year and in the future than the minimum cost of running their school since they have used up their surplus.

Another program for more permanent relief was also sponsored by the I. S. T. A.

Superintendent John Thalman of Waukegan township high school, a member of the state legislature committee of the Illinois Teachers Association and chairman of the same group for the north shore district, was in Springfield Monday to lobby for the educational bills now awaiting action in the General Assembly.

Inspector Approves H. E. Department

Miss Sophia Reed, assistant State Supervisor of Home Economics education in Illinois visited the department at the high school yesterday.

In her verbal report, she expressed herself as favorably impressed with the department and its operation, particularly at this period when many schools because of financial difficulties are being forced to shift the management of this department to unqualified instructors.

She particularly mentioned the decoration the the rooms, and stressed the importance of harmonious surroundings and interior decorations.

Mr. and Mrs. Merrill Suydam of Libertyville were Sunday guests at the Frank Mastne home.

MERCHANTS TO SPONSOR DRAMAS AT THE CRYSTAL

A score or more of Antioch's business firms will sponsor three theatre programs to be staged by the J. B. Rotnour Players at the Crystal Theatre starting Friday night, April 6. This company of well known players and vaudeville artists have been appearing each season in Antioch for many years, and due to their former satisfactory performances on the local stage, merchants here were ready sponsors to the plan proposed.

Free tickets will be given by merchants. It is understood, and Manager F. B. Swanson of the Crystal is co-operating by enlarging the stage and installing special lighting in the local playhouse.

Mastne Receives Three Medals for Basketball Ability

Howard Mastne, Antioch basketball star, was awarded three medals for outstanding playing in the recent District Independent Cage Tourney at Lake Geneva, March 10, in which he participated as a member of the Silver Lake quint which won second place. The tourney was won by the Kenosha Red Devils.

Mastne received a U. S. Basketball Federation gold honor medal for being chosen one of the first three outstanding players in the tournament. This makes him a candidate from the Lake Geneva district for the 1934 All-American Amateur Independent tournament award. Others receiving this award were Bob Regh, Kenosha, and Lundberg, Lake Geneva.

A bronze medal was awarded Mastne for being chosen forward on the first All-Tournament team. Others accorded this honor were Edward Brase, Kenosha; Regh, Kenosha; Harris, Silver Lake; and Radebaugh, Walworth.

In addition Mastne received a silver basketball for being a member of the Silver Lake Legion team, which came through to second place. Mastne was graduated from the Antioch Township High School with the Class of '30.

4-H CLUB TRAINING SCHOOLS TO BE HELD

A training school for 4-H Club leaders will be held Saturday, March 24, at 10 o'clock at the Home Bureau office at Grayslake.

All girls' 4-H club work has been revised to include many new interesting projects. Any community interested in organizing 4-H clubs are urged to send their leaders to this training school. A pot-luck lunch will be served at noon.

There were twelve girls' 4-H clubs last year and it is hoped there will be several more in the county this year.

ARRANGE FOR HOME BUREAU TOUR TO FURNITURE FACTORY

The members of the Lake County Home Bureau are planning on a trip to the furniture factory at Zion, Illinois, on Thursday afternoon, March 29th.

Anyone interested is cordially invited to attend this tour. The group will meet at the main entrance to the factory at 2 o'clock, according to Florence Kimmelschue, Home Adviser.

L. Powles Receives An Army Promotion

Laurel Powles recently received notice from the office of President Roosevelt of his promotion to First Lieutenant of the Quartermaster Corps Reserve of the U. S. Army.

During his services in the World War, Powles was a Second Lieutenant and has been attending training camp for a period of two or three weeks each year since that time.

Husband of Former Antioch Woman Dies

Word has been received of the death of Dr. D. M. Wood, at El Monte, California, March 7. His widow, the former Mildred Spiles Blunt, sister of Mrs. J. J. Morley, is well-known in Antioch where she made her home for a number of years and operated a shoe store.

Menaces Democrats

Here is pictured H. E. "Herb" Yager, conceded to be one of the chief Democratic contenders for nomination for sheriff of Lake county. Yager polled approximately 13,000 votes for this office in the November election four years ago, or about 2,000 less than his victorious Republican opponent, Lester T. Tiffany. But wait—it's only a few days now until all will know who really is "king-fish" of the Jeffersonians.

County Corn-Hog Board Organizes

Faulkner of Gurnee Elected Pres.; H. H. Grimm on Community Committee

C. A. Faulkner, Gurnee, was elected president of the Lake Co. Corn-Hog Control Association by the Board of Direction which met yesterday morning at the Farm Bureau hall. Other officers elected were: vice president, Dave Covert, Mundelein; treasurer, A. G. Wegener, McHenry; and secretary, Margaret VanZandt, Grayslake.

The five Community Committees were elected last week, with H. H. Grimm, A. C. Atwell, and Levi Waite assigned to Antioch, Lake Villa, Avon and Grant, for the purpose of contacting farmers and assisting them to make reports.

The County Allotment Committee was elected by the board and is composed of President C. A. Faulkner, Gurnee; H. H. Grimm, Antioch; and Joe Kelsier, Prairie View.

To date there have been one hundred seventy-two Corn-Hog Reduction Contracts signed in Lake County. These farmers have agreed to reduce their corn acreage six hundred acres in 1934 and market at least one thousand six hundred ninety-two less hogs in 1934.

Anyone wishing to sign a contract may still do so by going to the Farm Bureau office, Grayslake, anytime before 6:00 p. m., Saturday, March 31.

City Briefs

Misses Belle and Martha Hughes were visiting in Antioch Friday evening.

Mr. and Mrs. Barney Koolman spent Sunday in Chicago.

Mrs. Hanaford Shepard and son, Howard Eugene, are spending this week with the H. B. Gaston family.

Miss Eleanor Mortensen, who is in nurses training at the Swedish Covenant Hospital, Chicago, spent Sunday with her parents, Mr. and Mrs. Chris Mortensen.

Mr. and Mrs. Bert Dickey spent Sunday in Chicago.

Mr. and Mrs. Chas. Kelly of Lake Villa and Mrs. Anna Kelly of Antioch spent Sunday in Racine.

Mrs. Peter Hurtgen, Kenosha, spent Saturday and Sunday with her sister, Miss Mabel Brogan.

Chase Webb returned yesterday from Hot Springs, Arkansas, where he has been for the past three weeks. Fred Wright and Ernest Wells, Gurnee, called on old-time friends in Antioch Tuesday.

Mr. and Mrs. Theodore Murphy, Park Ridge, spent Saturday and Sunday at the Joseph Wetzel home.

Mrs. William Anderson is in the Kenosha hospital recovering from an operation performed Saturday. Sunday guests at the William Roehrig home were Mr. and Mrs. Robert Vogt and family, of Ingleside.

Twelve Applicants Seek Postoffice Job at Antioch

Twelve candidates for the job of postmaster at Antioch have filed petitions with the federal civil service commission. It was disclosed here Tuesday when local business and professional firms received questionnaires from the commission who seek reliable information regarding the qualifications and fitness of the applicants.

Among the applicants filing were: Miss Lottie Jones, former postmaster, who was relieved of her job when James F. Horan was appointed acting postmaster February 5th.

Other candidates are Homer Which, former Antioch rural route carrier; Roger K. Dardenne; Frank H. Willett; E. Elmer Brook, Antioch realtor; Raymond Sorenson; Edward F. Feltig; S. M. Wallace, former Antioch clothier and past commander of the American Legion post; F. W. Mongan; Emil Lubkeman; C. M. Kufak; and John Horan, who was secretary of the Antioch Fire Department until the night of January 9, 1934, when Clarence Shultis was elected to fill Horan's unexpired term.

All of the above applicants are Democrats, it is presumed, with the exception of Miss Jones who held the office for many years under Republican administrations.

James Horan, temporary postmaster, did not file an application, according to the commission's listing of candidates.

Rock Lake Man Passes Away After A Year's Illness

Alois Hahn, Former Ice-man, Dies at Age of Eighty-one

Funeral services for Alois Hahn, a Trevor resident for over forty years, who passed away at his Rock Lake home Friday afternoon, were held Tuesday afternoon at the home, Rev. L. V. Sitter, officiating. Burial is in Liberty Cemetery.

Hahn was well-known throughout this vicinity, where he made many friends and acquaintances while actively engaged in the ice business. He was born in Germany February 17, 1853, and came to Chicago when a young man.

He first came to Trevor to live in 1891 and made his home there until his death. For many years he operated an ice delivery business from his Rock Lake icehouse, retiring about fifteen years ago. His health began to fail over a year ago.

Surviving him are his four sons, Joseph, Camp Lake; Alois, Jr., at home; Frank, Berwyn, Ill.; and Charles, Forest Park; eight grandchildren and six great grandchildren. His wife preceded him in death in 1928.

Democrats Hold Monthly Meeting

The monthly meeting of the Antioch Democratic Club was held Monday night, with a large attendance at the West Bakery. Several prominent candidates for office were present and their claims endorsed by the Club.

Girl Scout News

The Lion Patrol made the announcement at the last meeting that the Girl Scout Easter party will be held April 2, 1934. The place has not yet been decided upon. Mrs. Ed Vos was absent from the meeting.

Troop Scribe, Ruth Cunningham.

Mr. and Mrs. Roger Dardenne entertained Mrs. Ruby Richey and son, Paul, and Miss Cornelia Roberts on Sunday, and showed moving pictures of scenes taken in Europe, and around Antioch on their own machine.

Mr. and Mrs. Thomas Cox spent several days this week in Morocco, Ind., where they were called Sunday by the serious illness of Mrs. Cox's mother, Mrs. Claude Ackers.

Mrs. Mollie Somerville spent from Friday until Monday in Chicago with her sister, Mrs. A. Swanson, whose husband is in a hospital.

HARDWARE STORE TO OPEN ON LAKE ST.

With two new stores opened for business last week, and another to open about April 1, business conditions in Antioch appear to be on the upgrade.

The Lake St. studio vacated last October by T. J. Tronson, photographer, will be opened the first of April by Soukup and Son, hardware dealers from Berwyn, Ill., according to C. A. Powles, who said that he expected the lease to be signed this afternoon by the younger Soukup. He will not be an entire stranger to people in Antioch and vicinity, as he has spent some time at his summer cottage on Channel Lake.

The place has been known as a studio for the past eight years, Knudson being located there for two years, and T. J. Tronson for the past six years.

BUILDERS AND TRADESMEN TO HOLD MEETING

Builders, tradesmen and laborers are invited to an important meeting to be held in Lake Villa next Tuesday night, March 27, at 8:00, according to a group interested in the building industry in western Lake county. Three such meetings have been held in Grayslake recently and progress has been made in the direction of forming an organization that undoubtedly will produce results in localizing the building industry in this section.

"Conditions indicate that there is to be great building activity in this locality in the near future," a prominent building contractor told the News this week.

He said: "Competition today is not between individuals engaged in the same business in this locality, but is between whole communities. The building business in this locality belongs to local builders, tradesmen and laborers, and an attempt is to be made to get it."

The speaker urged that all men interested in the building business, including dealers in materials, attend the meeting at Lake Villa Tuesday night. Representatives from Ingleside, Fox Lake, Round Lake, Grayslake, Lake Villa and Antioch have attended the three former meetings.

"Old Jim" Passes on to Happy Land

"Old Jim," the blind dependable draft horse that had drawn the milk wagon for the local milk delivery plant for the past 15 years is no more. He passed away Saturday afternoon of heart trouble, according to the diagnosis of Dr. George Jensen, veterinarian.

He had started out as usual Saturday morning on his milk route, driven by Eugene Sheehan, employee of dairy. During the trip, he stumbled and fell once, but recovered himself and continued his route, until he reached the shed at the plant, when he dropped to the ground.

Jim had reached the venerable age of 25 years, equalling in relative longevity that of a person of ninety years. He was purchased from Wallace Drom along with the dairy plant in 1925 by Walter Scott.

During his fifteen years on the route, he became the favorite and pet of countless school children, with whom he exchanged mutual liking and recognition. He possessed unusual intelligence and could be trusted to observe all his stops and turns without direction, despite his loss of vision.

Jim narrowly escaped injury last summer, when the wagon was struck by an auto driven by Harry Swanson of Deep Lake, and demolished.

His successor is a draft horse named Colonel, obtained in central Wisconsin by Walter Scott. Colonel will begin his duties the latter part of this week.

Mr. and Mrs. Andrew Harrison attended the funeral of Mr. Harrison's cousin, Charles Burgett, at Hebron Sunday. The deceased had been engineer at the Borden milk plant at Hebron for the past 27 years.

Mr. and Mrs. George J. Malek and little son and daughter of Berwyn spent Sunday with their parents, Mr. and Mrs. James Babor. Mrs. Babor accompanied them home and is spending this week visiting Chicago friends and relatives.

REV. SIMMS IS TRANSFERRED TO MOMENCE, ILL.

Has Served as Pastor of the Episcopal Church Here Four Years

Reverend Rex C. Simms, pastor of St. Ignatius Episcopal Church, Antioch, and St. Andrew's Episcopal Church, Grayslake, for the past four years, has been transferred by the Chicago Bishop to Momence, Illinois, where he will be in charge of the Church of the Good Shepherd, Momence, and St. John's Church, Flossmoor. He plans to move with his family to his new home April 4.

During his four years in Antioch, Rev. Simms by his quiet sincerity has made a host of friends who have expressed regret upon the necessity of his leaving. Rev. Simms said this week that he is sorry to leave Antioch, as the time spent here has been a happy time insofar as social contacts were concerned, and a progressive period for church activities.

The Rev. James Edwin Charles of Momence will take charge of the work here and at Grayslake. He plans to move to Antioch early next month.

MILLBURN CHURCH TO SPONSOR A BASKET SOCIAL

Funeral Services for Archie Brewer Held Saturday at the Church

The trustees of the Church Society will sponsor a program and basket social at the Masonic Hall Tuesday evening, April 3. Everyone interested in helping to finance the church is urged to attend. A small charge will be made for the program which will be held in the church.

Funeral services for Archie Brewer of Druce's Lake were held at Millburn church Saturday afternoon at two o'clock, with Rev. Ganster of Waukegan officiating. Burial was in Millburn cemetery.

Mrs. A. G. Torfin entertained the Bridge Club at her home Friday afternoon.

Mr. and Mrs. Floyd Beaumont and children Mrs. George Beaumont of Kansasville, Wis., spent Friday at the R. J. Bonner home.

Mrs. Florence Achen of Kenosha was a week-end guest at the home of her sister, Mrs. E. A. Martin.

Mrs. E. A. Martin and Mrs. Jens Johansson attended a bridge-luncheon at the home of Mrs. Stanley Christiansen in Waukegan Thursday afternoon.

The Hickory Unit of Home Bureau held a pleasant evening meeting at the home of Mr. and Mrs. Emmet King on March 18th. The husbands were invited to attend this meeting and eight men accepted the invitation. There were 15 members present and one visitor. The lesson, "Decorations of Walls," was given by Mrs. Robert Bonner and Mrs. Gordon Bonner. The April meeting will be held at the home of Mrs. Lena Winters of Rosecrans.

Kingsley and William Ferry and Bernice Bauman spent Sunday with Mr. and Mrs. Paul Ferry at North Prairie.

Mrs. H. E. Jamison is able to be up again after several days' illness. Dr. Jamison is again improving after his relapse two weeks ago.

Edgar Vose, Harry Keefe, called at the F. G. Edwards home Friday afternoon.

Tardy Motorists to Get No Warning

Motorists driving without 1934 license plates, or who fail to show satisfactory evidence that they have applied for same, will be arrested without warning after Monday, March 25, according to orders sent out from Springfield from the office of secretary of state.

The customary warning to buy plates of the proper vintage will be dispensed with altogether this year, it was reported from reliable sources.

CHRISTIAN SCIENCE CHURCHES

"Substance" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 18.

The Golden Text was, "Behold, God is my salvation; I will trust, and not be afraid; for the Lord JEHOVAH is my strength and my song; he also is become my salvation" (Isaiah 12:2).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Great is the Lord, and greatly to be praised; the Lord, and his greatness is unsearchable, and his greatness shall praise thee, O Lord; and thy saints shall bless thee. Thy kingdom is an everlasting kingdom, and thy dominion endureth throughout all generations" (Psalms 145:3, 10, 13).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy:

"In Christian Science, substance is understood to be spirit. While the opponents of Christian Science believe substance to be matter, they believe matter to be something and of the most of things, and of the things which pertain to spirit as next to nothing, or as very far removed from daily experience. Christian Science takes exactly the opposite view" (p. 348).

Primaries Are Regulated By Illinois Statute

GENERAL ELECTIONS ARE HELD EVERY EVEN NUMBERED YEAR

Party Candidates to Be Voted on Tuesday, April 10-14

In Illinois there are two types of regular elections—the primary, the purpose of which is to nominate party candidates, and the general election at which candidates are elected to office.

Primary Elections

Primary elections are regulated by the primary law, which is liable to change at any session of the state legislature. Under the present law primaries are held on the second Tuesday in April every even numbered year for the nomination of party candidates that are to be voted upon at the election held on Tuesday after the first Monday in November.

The law provides that the primaries of all political parties be held at the same time and place and that the expense thereof shall be paid out of public funds in the same manner as in case of regular elections. At primary elections each party is provided with separate ballots bearing a distinctive color and containing the names of none but candidates of that party. The names of candidates are put upon their party ballots by petition and in the order in which the petitions are filed as required by law. General election officers have charge of the primaries.

Primaries apply to elective offices except presidential electors, university trustees, township (so called) and school officers.

Precinct, senatorial and state committee members are chosen at the primaries.

Plurality Vote

The person receiving the highest number of votes at a primary election as a candidate of a party for a given office becomes the nominee of his party for such office by virtue of

Who May Vote

Every person who has resided in the state of Illinois one year, in the county ninety days, and in the election district thirty days next preceding any election therein, and who is a citizen of the United States twenty-one years of age or over is entitled to vote at an election. A permanent abode is necessary to constitute a residence.

such vote. The votes are decided by lot as provided by law.

Every person desiring to vote at a primary election states his party affiliation, and a judge of election gives him one ballot of the party with which he declares himself to be affiliated.

Congress

The legislative powers of the national government are vested in a congress, which consists of a senate and a house of representatives. The life of a congress begins on the third day of January of every odd numbered year and is limited to two years.

Two Senators from Each State

In the senate, each state is represented by two senators. They are elected by the voters of the entire state as provided by the seventh amendment to the federal constitution.

One-third of the senators is elected every even numbered year at the general election in November. They take office on the third of January following their election in November and serve for six years. Senators are eligible for re-election.

Illinois is represented in the senate by Senator William Dietrich and Senator James Hamilton Lewis. Both are Democrats.

The Antioch News Election Special

The purpose of this "Primary Election Edition" of the Antioch News is to present a brief digest of primary election laws, together with the specific duties of the several offices in contest, and information regarding qualifications of candidates who have co-operated with the News in making the edition possible.

Owing to the stress of economic conditions, the problem of conducting the affairs of local government at least expense, without sacrificing efficiency, has become a matter of concern to every taxpayer in the land.

If the information conveyed in these columns proves an aid to voters in deciding how to cast their ballots for the best general civic interests, then this edition will have served its purpose.

Allen Nelson Asks Consideration Of Fine Qualifications

Tax Expert Makes Strong Race to Succeed His Chief

Allen J. Nelson announces his candidacy for the office of County Treasurer in the Republican primary. Mr. Nelson has been Deputy County Treasurer under Jay B. Morse since he took office about seven years ago, is a man who has had considerable training in tax work and thoroughly understands the work of that office. Besides the general executive duties as deputy, Mr. Nelson has been cashier in the office. He has also had ten or more years training in financial work previous to his connection with the County Treasurer's office.

When interviewed, Mr. Nelson stated: "If nominated and elected to the office of County Treasurer, I will personally see that the office will be conducted in the most rigid, economical way and can assure the taxpayers that all expenses connected with this office will be kept at a minimum, and will give the people of Lake County an administration of efficiency and courtesy, to the fullest extent."

Mr. Nelson was born and raised in Waukegan; is an ex-service man, married, has a family, owns his home, is a taxpayer and has not held any elective political post in the past.

The candidate has a great number of friends in Waukegan and throughout the County who will willingly help him in his achievement for this important office.

RALPH E. CHURCH COMES BEFORE VOTERS WITH SPLENDID RECORD

Voters League Lauds 16-Year Record at Representative

COURAGE AND FIDELITY CHARACTERIZES CAREER

Ralph E. Church, lawyer, of Church & Traxler, 10 South LaSalle Street, Chicago; home with wife and three children at 300 Church Street, Evanston; was born on a farm in Vermilion County, Illinois, May 5, 1883; earned way through University of Michigan A. B. 1907; A. M. and L. L. B. Northwestern University 1909.

Mr. Church has practiced law in Chicago for 25 years. By Martindale-Hubbell Law Directory he is head of a firm given the best (av) rating for general corporation and civil practice, including real estate, probate, trial, securities law, and tax work.

Representative for 16 Years

Ralph Church was first elected to the State Legislature in 1916 without factional support from the 6th Senatorial District comprising Evanston, Rogers Park, Ravenswood, etc. He was reelected at eight successive elections with ever increasing majorities. In 1930 he received the largest vote cast in the entire State of Illinois for the office of State Representative. He has been chairman of the Committee on Judicial Department and Practice and of the Elections Committee and a ranking member of the Judiciary, Revenue, and other important committees.

As examples of his uncompromising battle against inefficiency and graft in government and resultant high taxes, it is remembered that it was Mr. Church who forced the investigation of the Sanitary District pay roll which resulted in the now famous trial; and who also introduced the bill to cut the number of Sanitary District Trustees from nine to three.

Endorsed by Voters League

Of his legislative record, the Civic Federation of Chicago says, "Entitled to credit for resisting political pressure and voting on behalf of the taxpayers."

At the close of his eight terms in 1932, the Legislative Voters League said, "Ending his eighth term in which he served the public with the same courage and fidelity which have characterized his entire career as a legislator."

A Chicago Tribune editorial of February 24, 1930, ranks Mr. Church as "one of the ablest and most reliable members of the Assembly."

In April 1932 Mr. Church won the Republican nomination for Congress from the 10th District according to the official canvass and actual recount of all ballots properly marked by the voter. This nomination was only wrested from him in late September by an indefensible judicial decision (from which no appeal could be taken) disenfranchising 321 conscientious voters in Evanston's University precinct. He seeks in this April (Continued on Page 5)

Says County Officers Are Underpaid

Three years ago, R. H. Stripe, then militant leader of the Waukegan Taxpayers Association, made the assertion that Lake county officials are underpaid. At that time Stripe was fighting and fighting hard for economy measures as they affect the taxpayer, and the statement seemed a bit startling to say the least. Inquiry brought out Stripe's stand on the matter of salaries.

"Certainly, I'll repeat that statement—Lake county officers are underpaid," Stripe is quoted in the Antioch News of May 28, 1931. "Imagine a man at the head of a six million dollar private concern receiving the salary of our county treasurer; or the county clerk, serving efficiently a county of over a hundred thousand population, at a salary absolutely incompatible with the qualifications required. Men of the calibre of our county officials could earn in a private business or profession many

times the salary they receive as public officials."

Stripe believes in stripping every office of extra fees, and every other emolument whatsoever, except salary, which in his opinion should be not less than \$8,000 to \$10,000 a year, according to work required.

Lake County Salaries

Here are the present salaries of Lake county officers:

Circuit Judge (paid by state)	\$6,400
County Judge	6,000
Probate Judge	5,000
County Clerk	4,000
Circuit Clerk	4,000
Probate Clerk	4,000
Treasurer	4,000
Recorder	4,000
Sheriff	4,000
Chief Deputy Sheriff	\$3,000
(\$200 month and \$10 expenses)	
Juvenile Probation Officer	2,400
State's Attorney	\$7,900
(\$400.00 paid by state)	
Superintendent of Highways	7,000
Superintendent of Schools	3,600

Lake County Candidate for State Treasurer

William J. Stratton

Former Secretary of State who is a candidate for the Republican nomination for State Treasurer in the primaries April 10. Stratton topped the G. O. P. vote in the Democratic landslide of 1932 when he was a candidate for re-election to the office of Secretary of State. In any ordinary year the Lake county man would have won in a walk. Now his election as state treasurer is considered a certainty.

Doolittle's Friends Point to Candidate's Record As Sheriff

Declares No Criticism Has Been Directed at His Administration

"A public office is a public trust," says Lawrence A. Doolittle, who served Lake County as sheriff from December, 1926, to December, 1930, and who again is candidate for the Republican nomination for that office.

Staunch supporters of the former sheriff's candidacy point to the fact that at no time during his tenure of office, nor since, has the public criticized his actions.

The candidate makes the statement that he has not, and will not, enter into any alliance or deal with persons who are interested in private or public enterprises which exist only so long as law-enforcing officials "look the other way."

Friends of the candidate claim that among his most ardent supporters are found many of the county's most prominent law enforcing officials who are supporting him because of his cheerful and willing co-operation when he was sheriff during the years above mentioned. Many times they have referred to his term in office as an example of what can be accomplished when an elected official recognizes and exemplifies that "A Public Trust should not be utilized for personal gain."

It has been stated that Doolittle's campaign is being backed by an influential group of Lake county voters who are desirous of putting back into office "a man who can be relied upon to reduce the operating expenses of the sheriff's office, and at the same time render a service that will be satisfactory to all of the people."

BROCKWAY, DEAN OF LAKE COUNTY OFFICIALS

Louis A. Brockway, veteran recorder of Lake county has been elected to that office eight successive times. Before that he was deputy county clerk for seven years. Thus, with the completion of his present term as recorder he will have served the county in a public capacity for 42 years.

BROWN'S CANDIDACY IS UNHAMPERED BY DEALS OR PROMISES

Avon Supervisor Pledges a Fair and Impartial Administration

No deals, promises, or hookups will hamper the candidacy of Edward A. Brown, of Round Lake, who is aspirant for the Republican nomination for sheriff. So speak the campaign statements launched by friends of the Avon supervisor who nearly landed the sheriff job four years ago in one of the hottest primary battles ever staged in Lake county.

For many years Mr. Brown has been engaged in the retail hardware business at Round Lake. In that village he has made his home, and reared and educated his children.

Since the retirement of "Uncle Andrew" White from the board of supervisors several years ago, Ed Brown has served the people of Avon township, which includes the villages of Grayslake and Round Lake, as their representative on the county board and as poormaster.

Many assurances of support received by the candidate have given him confidence that his 1934 race will be successful.

"The many supporters of my campaign in 1930, and hundreds of other voters in the Republican primary in that year who supported other candidates for sheriff then, have come to me voluntarily in recent weeks to urge my candidacy this April. They feel, I have been assured, that success is not only probable, but almost certain."

Only Pledge Is to Voters

"I am entering the campaign under no obligation to any group, faction or individual, save that obligation every office-holder owes to the electorate that has placed him in a position of trust," Brown told friends recently when discussing his candidacy.

The candidate's service on the county board has given him an intimate knowledge of conditions in all parts of the county, and he has stated that he realizes fully the duties and responsibilities of the sheriff's office. He pledges an administration that will be satisfactory to all of the people of Lake county.

CARROLL'S SPLENDID RECORD WILL PROVE ASSET IN CAMPAIGN

Voters' League Endorses Candidate for Re-election to House

William M. Carroll, one of the three representatives from the eighth district and a candidate for re-election on the Republican ticket, is ending his second term in the state assembly with a good record. So states the Assembly Bulletin, the official publication of the Legislative Voters League of Illinois.

"He was attentive to the business of the House, did good work in committee and showed sound judgment," states the endorsement of the League.

Besides having a good record as a legislator at Springfield, Rep. Carroll has an equally good record in his home town, his county, and his district. He lives in Woodstock, McHenry county, where he has been engaged in the practice of law for the past 18 years. He was elected Representative from the eighth district in 1930, and was re-elected in 1932.

Rep. Carroll has served as city attorney of Woodstock for three years, and he has also represented several other municipalities of McHenry county. This experience has given him a thorough knowledge of city government.

Veteran of World War

Carroll is a world war veteran and is an active member of the American Legion. He has given much time in assisting disabled veterans in compensation cases, and he has taken an active part in veterans' legislation in the Legislature. He sponsored the bill which enabled the Waukegan post of the American Legion to build its home on Park property.

By reason of being a lawyer, he has been a member of the Judiciary Committee of the House of Representatives, which is perhaps the most important committee of the House.

Representative Carroll has taken a keen interest in the problems of the dairy farmer, and he was a member of several important committees on the milk situation during the present session of the Legislature.

Burgess Deserves Support, Lake Forest Committee Declares

Builder of Deerpath Inn Gets Major Support in Race for Treasurer

An honorable business career extending over a period of thirty years in one town, Lake Forest, is bound to make Edwin Burgess a formidable contender for the office of county treasurer, according to a large committee of supporters who are putting their favorite candidate to the front in the Republican primary contest. The committee of fourteen representative citizens of the county, in announcing the Burgess candidacy, said:

"Edwin Burgess has offered himself as a candidate for County Treasurer in Lake County. Mr. Burgess has lived for thirty years in Lake Forest, where he has been active in the civic and business affairs of the community, always with credit to himself and the county."

"When good men are willing to make the sacrifice in time and effort by entering political life, they should be encouraged and supported. It is your county and your responsibility to help."

The following Lake county residents signed this splendid endorsement of their favorite candidate:

A. B. Dick, Jr., Albert D. Farwell, John E. Fitzgerald, Kent Chandler, Fred A. Preston, Francis E. Manire, D. Leon Wells, Wm. A. Quigley, John Griffith, Frank W. Read, John J. Spellman, Thomas F. Yore, John T. Pine, R. Douglas Stuart.

Burgess was the builder of the Deerpath Inn in 1929. His public record includes three terms as police magistrate of Lake Forest.

JUDGE PERSONS IS CANDIDATE FOR SEVENTH TIME

**Able Jurist Counts on His
Record to Return Him
to Office**

County Judge Perry L. Persons was born near Wadsworth and lived on a farm there and near Gurnee until moving to Waukegan, which has since been his home.

Admitted to practice law in 1897, he served the City of Waukegan as Police Magistrate and as City Attorney, and in 1910 was elected County Judge, in which office as Judge of the County Court, he has served the people of Lake County conscientiously and acceptably.

His ability as a jurist and his work in the county court are known throughout Illinois. His interest in Public Welfare was recognized by Governors Small and Emmerson, each of whom appointed him on the Welfare Commission, on which Judge Persons served for nearly twelve years without compensation.

His sympathy for the insane and his fatherly interest in the dependent and delinquent children whom he tries to aid are known to, and appreciated by, everyone with whom the Court has come in contact.

In view of his experience of twenty-three years as Judge of the County Court, he is thoroughly familiar with its many duties and responsibilities. For this reason friends of the jurist are urging that every voter endorse Judge Persons for re-election by voting to him at the Republican primaries April 10th.

The "News" Is Fair

to Candidates

"I truthfully believe that your proposition is the fairest proposition I have received," a candidate writes the Antioch News in commenting upon the manner in which this newspaper handles publicity for the various aspirants for office.

Another writes: "It is a pleasure to have your co-operation."

Efficiency Marks Public Record Of Lew A. Hendee

**Competent Employee Should
Not Be Discharged, His
Friends Declare**

Lew A. Hendee, Republican candidate for re-election to the office of County Clerk of Lake County, was born in Fremont Township, Lake County, Illinois, and has always lived in this County.

Mr. Hendee's candidacy is based on his record of achievement since he has been county clerk. That the services rendered by him have been satisfactory in every respect is evidenced by the confidence the people of this county have shown in him by returning him to this office on previous occasions.

Mr. Hendee's success in office is due largely to his strict adherence to business, his efficiency in management and his courtesy to all served by him in his long experience in public life. He keeps himself well-informed on all matters pertaining to this technical and important office, keeping abreast of the new legislation as passed from time to time, affecting the branch of government which he has been elected to serve.

Record of Courteous Efficiency

Mr. Hendee has always been a staunch Republican, believing in and adhering to the principles of that party but he has never allowed politics to enter into the administration of the office of County Clerk. He has served his public faithfully, regardless of creed, color, party affiliations or nationality, always keeping in mind that the people of this county are the ones who put him in office and are the ones who will keep him there. He has always served them in a kindly, courteous and considerate manner, being ever-mindful of their interests and has conducted his office in an economical manner consistent with an efficient administration.

If he is re-elected he will continue with a renewed effort his past policy of courtesy, efficiency and economy.

CHARLES E. JACK, ABLE LAWYER SEEKS PROBATE BENCH

**Integrity and Ability Characterize Career of
Candidate**

Charles E. Jack has been a resident of the City of Waukegan since his early boyhood days. He received his elementary and high school education in the City of Waukegan and was admitted to the practice of law at the bar of Illinois in July, 1917. Prior to his entering the active practice of law, Mr. Jack was employed by the Lake County Title & Trust Company for a period of fourteen years and retired as Assistant Secretary of that Company in January, 1925, at which time he established a law office and engaged in the active practice of law specializing in real estate law, chancery and probate practice. During the time that Mr. Jack was affiliated with the Title Company he had years of valuable experience with Chancery and Probate matters, which, coupled with his nine years of active practice along those lines has well fitted him for the important office he now seeks, that of Probate Judge.

Mr. Jack is a taxpayer, living with his wife and family in his own home in the City of Waukegan, and maintains his law office at 221 Washington Street in that City. Politically he has always been a Republican. The only political office he ever held was that of Town Clerk which he held for several terms in the City of Waukegan to the satisfaction of the citizens of that township. At the conclusion of his last term in that office he refused to become a candidate for reelection in order to devote his entire time to his profession. Mr. Jack has always been interested in civic, social and lodge affairs, and enjoys a splendid reputation in the legal profession.

HOLMBERG CANDIDACY GROWS IN FAVOR

City Treasurer of Waukegan Making Fine Campaign, Friends Say

"Interested in your interests," is the way Edward R. Holmberg presents his candidacy for probate clerk before the Republican voters of Lake county.

Holmberg is present city treasurer of Waukegan, and his long experience as an accountant in responsible executive posts indicates that he is exceptionally well qualified for the office he seeks.

The candidate was born and raised in Lake county. For 16 years he was employed by the American Steel & Wire Company, and later he was office manager for the Thos. J. Killan plumbing firm in Waukegan.

He is an ex-service man and member of the American Legion.

Backers of Holmberg's candidacy declare that he is of exceptional ability and unquestioned integrity, and that his candidacy is being received with favor throughout the county.

BOYLES IS WELL QUALIFIED FOR PROBATE BENCH

**Campaign of Waukegan
Attorney Wins Favor
Among Voters**

John Logan Boyles, Republican candidate for probate judge of Lake county, comes before voters with a background of experience which his friends and supporters claim lend the candidate exceptional qualifications for the office to which he aspires.

Born in Clay county, Illinois, Boyles attended school in his home county, and law school in St. Louis, and he was admitted to practice in Illinois and Missouri. For three years following his graduation he resided in Lake county and was employed in the law offices of Cooke, Pope & Pope, Waukegan law firm. In 1912 he returned to the county of his birth, taking up his residence in Flora, where he cared for his parents.

Elected Judge

In 1914 he was elected county and probate judge of Clay county, serving until 1918. Later he formed a partnership in East St. Louis with Paul Farthing (now judge of the supreme court of Illinois), and represented the Federal Land Bank of St. Louis as counsel for Illinois.

He became attorney for the Chicago Joint Stock Land Bank in 1922 upon his return to Lake county, and in 1928 he opened his office in Waukegan where he has been in continual

and successful practice since that date. His practice is largely devoted to probate and real property. Eight years in the Farm Loan System has given him vast experience in farm financing and in the problems of mid-west agriculture.

Mr. Boyles is 47 years old; he is married and has four children, the eldest, William, a freshman at Oberlin; Dorothy, who graduates from

the Waukegan high school this year; Margaret, 12, and Mary Lou, 7 years old.

The candidate has always been active in civic enterprises; he is a 32nd degree Mason; Captain General of the Waukegan Commandery No. 12; Shriner; Trustee First Methodist Church; President Waukegan Y. M. C. A.; Member Boy Scout Council; Vice President Waukegan Lions Club.

Edward A. Brown's candidacy for the Republican nomination for Sheriff of Lake County, is unhampered by "deals" with other candidates or potential candidates for the office.

He has made no promises of appointments and will make none. His only pledge to the people of Lake County is a fair and impartial administration of the duties of Sheriff; and to this end, will before assuming office, make his appointments, selecting with care, qualified men and women as his assistants. His appointments will be made after the general election and not before the April 10th primary. Talcott Is Well Qualified For County Clerk

Waukegan Postmaster and War Veteran Makes Strong Race

Mancel Talcott's association with, and loyalty to the Republican Party, has never been questioned. When 21 years of age he helped organize the Young Men's Republican Club of Lake County in the Theodore Roosevelt-Wilson campaign and served as its first Chairman. Always has he worked for the Republican Party as a whole and this is the first time he has solicited the support of the voters of Lake County in his own behalf (his appointment to his present position was obtained through a competitive Civil Service examination).

Talcott's qualifications are based on the following: Educated in Waukegan Grade and High Schools, Racine Military College, University of Illinois and Chicago Kent College of Law.

Business experience: Clerk at American Steel & Wire Company, Department Manager at Blatchford Calf Meal Company, own retail business, Postmaster at largest office in Lake County where the volume of business and force has tripled in some departments and increased from \$15,000 to over \$800,000 in another. This required executive ability and efficiency. The valuable experience with postal accounting systems and well known economy methods can be utilized to good advantage in county government to the best interest of the taxpayers. His past experience conclusively proves his ability to conduct the affairs of the office efficiently, honestly, economically, ethically and with service to all.

Talcott was presented with the signatures of approximately 3,000 voters petitioning him to be a candidate. These signatures were secured without any effort on his part personally, which clearly and unmistakably indicates the trend of thought in the minds of the good citizens today, "It is time for a change."

Ever since George Washington refused a third term as President of the United States the voters of our Nation have clearly indicated that a reasonable term of service by one person is better for the government—additional service and more rigid economy are assured.

Political Party Defined

Primaries concern only the selection of party candidates who are to be voted on at the general election in November.

A political party which at the general election for state and county officers then next preceding a primary polled more than two per cent of the entire vote cast in the state is declared by law to be a political party within the state, and is permitted to nominate candidates for all offices and to elect precinct, ward, and state central committeemen.

An Open Letter to the Voters of Lake County

Soliciting their support in returning to one of the most important Law-and-Order Enforcement Offices, a man who has not, and will not, in any respect, prove unfaithful to the Taxpayers and others of this great Community—

Lawrence A. Doolittle for Sheriff

Always a
Republican
in Politics

Always a
Resident of
Lake County

During the four years, December 1926 to December 1930, Lawrence A. Doolittle served Lake County as Sheriff. At no time during that period, or since, has the public criticized his actions.

His treatment of the inmates of the county jail, and the care at all times, of the buildings that were under his supervision, frequently won high praise from those legally authorized to inspect such places,

as well as a generally expressed satisfaction by those whose business took them there.

So economically and efficiently did Sheriff Doolittle perform his duty, that the public—including the press—have many times referred to his term in office as an example of what can be accomplished when an elected official recognizes and exemplifies that "A Public Trust should not be utilized for personal gain."

Free of Any and All Alliances

Lawrence A. Doolittle HAS NOT, and WILL NOT, enter into any alliance or deal with persons who are interested in private or public enterprises which exist only so long as Law-Enforcing Officials "Look the Other Way."

Mr. Doolittle is not promising and "peddling" the patronage of the office he seeks in order to secure votes.

Most of the County's Law-Enforcing Officials—including the Judiciary—are conscientiously supporting Doolittle for Sheriff, remembering his cheerful and willing spirit of co-operation when he occupied the office during the years above mentioned.

Turn The Searchlight on the Record

This advertisement has been prepared and paid for by some of Lake County's Voters, who are desirous of putting back into office, a man who can be relied upon to reduce the operating expenses of the Sheriff's office, and at the same time render a service that will be satisfactory to all the people. And, inspired by that motive solely, these supporters of

Doolittle for Sheriff, are anxious that the Searchlight be turned upon his record, that comparisons of the conduct and expenses of operating the office, during his term, and since, may be shown up, in order that the voters may have the facts.

Primary Elections---

(Continued from page three)
sometimes spoken of as the lower house or merely as the house, is intended to represent the nation upon the basis of population, in contrast to the senate, which has an equal representation from each state.

The states are divided into congressional districts, and the original idea was that there should be one member of the house of representatives for every thirty thousand inhabitants; but as the population of the various states increased it was later decided definitely to fix the number of members without regard to a precise ratio of members to population. If a state legislature fails to provide for its increased representation by redistricting the state before any general election, the additional representatives are chosen by the voters of the state on a general ticket and are known as congressmen-at-large.

25 Districts in Illinois

Illinois has twenty-five congressional districts and two congressmen-at-large.

Illinois has twenty-five congressional districts and two congressmen-at-large.

Representatives are elected every even numbered year at the general election in November, following the selection of party candidates at the primaries in April.

Many powers of government are vested solely in the House of Representatives.

All bills for raising revenue must originate in the House. It has the sole power of impeachment. Furthermore it has the privilege of choosing the president of the United States in case no one candidate should receive a majority of the electoral vote.

Lake County in Tenth

Lake county is in the Tenth Congressional District, which comprises all of Lake and part of Cook county. Its representative is James Simpson, Jr., Republican, who is a candidate for re-election.

State Legislature

The legislative, or law-making, power of the state is vested in the general assembly, commonly referred to as the state legislature, which consists of a senate and a house of representatives. The members of both houses are elected by the people. The regular session of the legislature commences on the Wednesday next after the first Monday in January following the state election in November. All extra sessions are called by the Governor.

The legislature in its biennial sessions considers various measures which are proposed for enactment into law. A proposed law is known as a bill during its consideration in the legislature. A bill may be introduced in either house. There must always be three separate presentations in each house on three different days, though it is not necessary, nor customary, for the two houses to consider the same bill on the same day. During the progress of a bill in the general assembly, it is said to have reached the "second reading" or is up for "third reading," or final passage. For the two year term, each member of the general assembly receives a salary of \$3,500, which is payable during the first regular session of the assembly held after the general election in November.

The Senate

The senate is composed of fifty-one members, one from each of the senatorial districts of the state. Senators from the even numbered districts are elected at the same time as the Governor, in the years divisible by four.

The senate elects a president pro tempore, who is a member of the senate, and who serves when the lieutenant governor for any reason is not present.

All impeachments are tried by the senate and it takes a two-thirds vote of all senators elected to convict. If the governor of the state is tried the chief justice presides.

Lake in Eighth District

Lake county is in the eighth senatorial district, comprising the counties of Lake, McHenry and Boone, with a total population of about 154,000, with Lake county as the most populous unit—104,000, McHenry county, 35,000, and Boone county, 15,000.

The present senator is Ray Paddock of Wauconda who was re-elected in 1932 to serve his second term.

State Representatives

The house of representatives is composed of one hundred and fifty-three members; three members from each of the fifty-one senatorial districts. The entire body is elected every even numbered year.

The sitting representatives from the eighth district are Richard J. Lyons, Republican, Libertyville; William M. Carroll, Republican, Woodstock; and Thomas Bolger,

Democrat, McHenry. All are candidates for re-election.

Minority Representation

There are three members of the house of representatives elected at the same time in every senatorial district, and every voter has the right to vote for the three candidates, giving each one vote; for two candidates giving each a vote and a half, or for one candidate, giving him three votes. A voter also may give two votes to one candidate and one to another.

By this plan the party in the minority can usually elect one man by having but one candidate and giving him all of the votes. Usually the party in the majority nominates two candidates and the party in the minority nominates one candidate. In this case a nomination is equivalent to an election. When two parties are of nearly equal strength each one may nominate two candidates. In this case voters will give their favorite candidate three votes instead of one and a half each for two candidates. This is called "plumping," and may sacrifice party to personal interests.

The Republican Party will nominate two candidates and the Democrats one candidate in the forthcoming primary.

County Offices

County Judge

The county judge is the judge of the county court. The county court deals with local administrative problems, and it has exclusive jurisdiction in cases involving the care of the insane, insolvent debtors' proceedings, and assignments for the benefit of creditors. It also has jurisdiction in disputed elections and the assessment and collection of taxes. It has concurrent jurisdiction with the circuit court in appeals from justices of the peace, in drainage matters, and eminent domain cases.

Because of the unusual clause in the constitution conferring upon the county court "such other jurisdiction as may be provided for by general law," the county court has a wider and more varied jurisdiction than any other of our courts of record.

The county judge also may hear civil cases where the amount in controversy does not exceed one thousand dollars, and he also conducts trials of persons charged with misdemeanors. (A misdemeanor is a law infraction where the punishment is not imprisonment in the penitentiary or death.) This brings the county judge into the criminal sphere of judiciary supervision.

Probate Jurisdiction

In counties of less than 85,000 inhabitants, the county court has original jurisdiction in all matters relating to the settlement of the estates of deceased persons; the appointment of guardians of minors, and conservators of the insane and feeble-minded, and the settlement of their accounts,

and in all matters relating to apprentices.

County judges are elected every fourth year at the general election on Tuesday after the first Monday in November, of the "off year," or non-presidential election date.

Under the "new practices act," which became effective Jan. 1, 1914, there are no stated terms of either the county courts or the probate courts. They are open continuously, except that they may adjourn from time to time at their discretion.

Because of the varied jurisdiction of the county court, which affects the people in so many different aspects, the Judge of that court is one of the most important officers to be selected by the electorate.

The salary of the County Judge is \$6,000 a year.

The Candidates

Candidates for this important office are: Judge Perry L. Persons, Republican, incumbent, who is serving his sixth consecutive term; Harry A. Hall, Waukegan attorney, Rep.; and Philip J. McKenna, Highland Park, and A. C. McHenry, Waukegan, Democratic entrants.

Probate Judge

In counties having more than 85,000 inhabitants a probate judge and a probate clerk must be elected to attend to the probate business of the county. In such counties the county court has only law jurisdiction. The probate judge and probate clerk are elected at the same time as the county judge and county clerk and they serve for the same length of time.

Specifically the probate judge administers the estates of deceased and incompetent persons and of minor children, or the estates of persons who have been adjudged insane in the county court. The probate judge appoints administrators for intestate estates, guardians for minors, and conservators for incompetents; approves their bonds and hears and allows claims against such estates; supervises the reports of administrators, and if correct, approves them. He is charged with the duty of seeing that the funds of such estates are conserved, or invested only in accordance with the law. He has the power to punish by contempt proceedings and otherwise all persons who do not administer their trust as administrator, guardian or conservator, exactly in accordance with law.

Matters relating to apprentices are rarely heard in these modern days, but the jurisdiction still exists.

The probate judge and the county judge are permitted, by law, to hold court for each other and to perform each others duties in their own or any other county when it is found necessary or convenient.

The salary of the probate judge is \$5,000 a year.

Established in 1922

The probate court of Lake county

was established in 1922, and Martin C. Decker was elected as judge, in which office he has served continuously. Judge Decker is a candidate for re-election on the Republican ticket. Other Republican entrants are: Charles E. Jack and John Logan Boyles, both Waukegan attorneys. Ray E. Thomas and Charles Noll are the Democratic candidates.

Probate Clerk

Lake County is one of the twelve Counties in the State of Illinois, having a population of over eighty-five thousand, in which the Probate Court is separated from the County Court, having been divided December 1st, 1922.

The work of this Court is caring for the estates of deceased persons, minors and incompetents, and is very important, as the title to property by inheritance or by will is as legal as by deed.

The Clerk of the Probate Court is required to file, record, and preserve all papers filed in estates, recode all Court orders, keep a docket, index and register of estates; attend all Court sessions, keep an accurate account of all money received and paid out and report the same to the Board of Supervisors twice a year.

In Lake County a large volume of business passes through the office of the probate clerk.

Capacity for exacting detail, and ability and willingness to attend courteously to all matters relating to estates and to the proceedings of the court, would seem essential qualifications a voter should look for in candidates for this important office.

County Clerk

There is no office in the county that handles a larger volume of work than does the county clerk's office. There is practically no item of county business that does not at one stage or another pass through the hands of the county clerk or his deputies, and the exacting duties connected with the office are so manifold that they touch upon or are intimately connected with the transactions of nearly every other county office.

The county clerk is ex-officio clerk of the county court. He is also clerk of the county board of supervisors, in which capacity he is required to record all proceedings of the board, file and preserve all bills of account that are acted upon by the supervisors. He issues county warrants upon the county treasurer in payment of bills and other disbursements from county funds.

In this office are filed all records of bonds, papers and records, and the county clerk must furnish certified copies of such documents when requested to do so.

Has Charge of Elections

The county clerk has charge of elections and the printing of ballots, and he must see that election boards

"TIME FOR A CHANGE"

For the past 41 years the County Clerk's office has been under the control of Mr. Hendee and his father. The present incumbent has drawn salary from this office for 32 years—A vast majority of citizens believe it is TIME FOR A CHANGE for the good of Lake County

Ever since George Washington refused a third term as President of the United States, the voters have clearly indicated that a REASONABLE term of service is better for the Government—IT'S TIME FOR A CHANGE in the County Clerk's office NOW.

Mancel Talcott is qualified and has proven himself a capable public servant—No better endorsement could be had—12 years of service to the United States Government with an unquestionable record of excellent service to over 40,000 patrons daily.

WHO ROCKS THE CRADLE

Clausius E. Wade

Napoleon said, "The hand that rocks the cradle rules the world." Literally, this is not true. He, no doubt, referred to the small bundle of humanity in the cradle, which, if properly trained in its plastic and adolescent years, would grow up and become a power rivaling that of his own.

We must have robots rocking our cradles today. With the utmost of disregard imaginable, kids swarm the streets from early morning into the night, ruthlessly destroying the property of other people and violating every fundamental law, which, if observed, would make them useful citizens. A casual observation about town reveals a newly painted house with a bottle of ink smashed against it, a garage with enough obscenity written on the doors to pollute a nation, mud balls plastered on doors and windows broken out with baseballs and footballs, lawns, and shrubbery depleted until they resemble a pasture-field occupied by goats.

Ask a kid today to refrain from doing something, and he will let loose a barrage of cuss-words at you that would embarrass a professional tough. On the street, in our public places, stores, churches, trains, in fact, all over you are continually confronted with a demonstration highly suggestive of a return to heathenism.

A few months ago, three boys, the oldest, only nine years old, approached a widow in California and asked for fifteen cents a week to protect her lawn. She replied that it did not need protection and refused their demands. The next morning, she found what she thought to be all the junk in California, piled high on her lawn. She had to invoke police protection for her property. This is a mild case compared to thousands of others happening daily throughout the country. Are the children to blame? I think not. The cradle was rocked with the wrong hand.

We can mobilize the constabulary of the nation

to chase a few notables like Mr. Dillinger, and while we are doing this, thousands of kids are growing up into potential Dillingers or worse. Let us apply the law at the right time, and the right place, then we will accomplish something.

THE GOLDEN EGGS

"The taxpayer, let it never be forgotten, is the mainstay of government," says the Detroit Times. "He is, as a rule, the man of steady industry and frugality, who labors early and late—producing, saving, paying and supporting."

"He is society's prop and reliance. Without him—recovery is an idle dream and the great projects of government are foredoomed to failure."

This essential figure, the taxpayer, has few vocal defenders. Public officials pile steadily increasing burdens on him. They take a large part of his income and often his savings—both through taxation and through tax-exempt governmental projects which compete with his private endeavors.

You don't have to pay taxes to be a taxpayer. You may never pay an income tax or a property tax—but a substantial percentage of your earnings is taken for taxes nevertheless. The grocer who sells you food, the factory that produces it and the railroad which transports it, are heavily taxed—and the tax pay is added to the cost of everything you buy.

Every one of us is a taxpayer. Every one of us is proud to support our government. But each one of us is less secure in his job and his savings, as oppressive tax and legislative policies discourage industries and investments which provide steady jobs.

The taxpayer is the goose that lays the golden eggs. Will the public servants he employs kill him in an endeavor to collect more eggs than he can produce?

THE INADEQUACY OF GOLD

The growing agitation for monetization of silver develops from the fact that the world's supply of gold has proven itself insufficient to carry on the increasingly complex operations of international commerce. All the monetary gold in the world is not sufficient to pay off the foreign gold bonds held by the people of the United States, and the debts owed to the American government by other nations.

The world's monetary gold, outside of that held by France and the United States (which two countries control \$7,000,000,000 of a world total of \$11,000,000,000), if divided among the peoples of all other countries, would amount to but \$2.30 per capita.

Hogan Begins Career of Service Early in Life

Waukegan World War Vet Draws Major Support for Treasurer Post

That John J. Hogan will receive support of a major kind in his race for county treasurer on the Republican ticket is attested by the many expressions of support for the former Waukegan city treasurer that are heard throughout the county.

Hogan, a life long resident of Lake County and Waukegan, got the service idea early in life. He began as a grocery boy with Reardon & Wall and later was with the Warren grocery. Thus as a boy he acquired an extensive acquaintance.

Served in Trenches, Too

During the world War Hogan was a volunteer with Co. I, 130th Inf., in the 33rd Division. He attained the rank of sergeant.

In 1931 he was elected treasurer

AMUSEMENTS

AT THE GENESEE

Teeming with emotion, and abounding in richness and beauty, Fox Film's latest release, "Carolina," opens at the Genesee Theatre, Sunday, March 25, for four days. The cast is studded with seven great stars, all of whom do more than justice to the film that promises to be one of the outstanding productions to come from Hollywood. The screen play depicts realistically and dramatically the aspirations and the struggle of the South, and a Southern family to regain the glory that once was theirs.

The story concerns itself with a

poor Northern girl who has gone south to grow tobacco on the plantation of a decadent but still dignified family. The young son of the family falls in love with the girl over the objections of his mother. The young man, however, is so impressed by the talk of this young girl that he is inspired to new heights of ambition and new visions of glory. The strenuous objections and the hatred that his mother bears toward the girl, finally force her to leave. When the young man learns of this, he threatens also to leave the family. His mother, rather than lose her son, relents, and the girl returns to bring happiness and prosperity to the once run-down plantation.

Janet Gaynor and Lionel Barrymore have the leading roles, and their portrayals are superb. Robert Young, Henrietta Crosman, Richard Cromwell and Mona Barrie head the supporting cast, and each and every one of them turns in an unforgettable performance. Others in the cast are Stepin Fetchit, Russell Simpson, Ronnie Crosbie, Jackey Cosbey, Almeda Fowler and Alden Chase. Henry King, the ace director of "State Fair," does another masterful piece of work from the screen play by Reginald Berkeley.

PROBATE JUDGE

Primaries April 10, 1934

LAKE COUNTY VOTERS:

That the office of Judge of your Probate Court is an important one is admitted. It follows that any Judge you select should be one who is well qualified and capable.

I have lived in Lake County for over fifteen years. During that time I have served as Republican Precinct Committeeman, District Commissioner, Boy Scouts of America, Director of the Waukegan-North Chicago Chamber of Commerce and President of the Y. M. C. A.

I have had twenty-five years' experience as judge and lawyer engaged chiefly in the practice of Real Property and Probate Law. From 1914 to 1918 I was County and Probate Judge of Clay County, Illinois.

My training and experience qualify me to adjudicate fairly and impartially the important questions constantly arising in the Probate Court.

I respectfully solicit your support.

TIFFANY DECLARES FOR ANTI-CRIME LAWS AND REDUCED TAXATION

Advocate of Legislation for Protection of Labor

Lester T. Tiffany, candidate for the Republican nomination for the general assembly from the eighth district, has pledged himself to fight for Republican principles and for the best interests of the entire district, but to remain independent and free of obligation to political machines or bosses.

Securing of legislation effective in reducing crime in Illinois is one of the most important problems confronting the general assembly at this time, and Mr. Tiffany, who has served as chief deputy sheriff of Lake County, chief of police in Lake For-

est, and finally as sheriff of the county is a strong advocate of such legislation.

Would Simplify Criminal Laws

He has promised to support the proposal to pass laws making appeals in criminal cases more difficult and eliminating technicalities which aid criminals in evading justice.

Installation of radios in state police squad cars and measures insuring better co-operation between state, county, city, and village law enforcement agencies will be advocated by Mr. Tiffany.

Legislation permitting women to serve on juries will be supported by Mr. Tiffany, who believes competent women will be willing to serve as jurors and that they will be willing to devote their time to this important service without attempting evasion.

Legislation making it easier for municipalities desiring to own their own public utilities to do so, is also urged by Mr. Tiffany.

For Tax Relief Measures

Being a member of the Pure Milk Association and a practical farmer, he is also in favor of all measures which will relieve the tax burdened and

struggling farmers of the district. Measures providing for limitation and reduction of taxes will also receive Mr. Tiffany's enthusiastic support. Laws protecting labor are regarded by him as being essential to protection of American Standards.

Tiffany's work in organizing the work of the Lake County Sheriff's office and in establishing a night patrol for protection of the section of the county outside the cities and villages has been hailed as a genuine public service.

Qualification

In order to be a candidate it is necessary only to make a statement of what is wrong with things. It is not regarded as at all necessary to make a statement of what the candidate proposes to do about it.—Fort Wayne News-Sentinel.

RE-ELECT COUNTY JUDGE PERRY L. PERSONS

His many friends are pleased to know that the name of COUNTY JUDGE PERSONS will be on the ballot in the Republican Primaries April 10th next, as a candidate for re-election.

His work as Judge of the COUNTY COURT for twenty-three years is well known throughout the County and speaks for itself; he has maintained its dignity, in and out of Court; and no Judge on the bench should be required or expected to make a personal canvass or solicitation of the voters.

Every person who has had contact with Judge Persons can vouch for his diligence and punctuality, his ability and efficiency, his fairness and impartiality, his paternal advice to dependent and delinquent children, his firmness and kindness to misdemeanants and probationers, his sympathy for the insane, their families and others unfortunate and distressed, his unflinching courtesy and judicial temperament and his record in conserving the interests of all persons before the County Court in its many and diversified duties and responsibilities.

"The highest type of wisdom comes from experience" and our people are fortunate in his willingness to stand for re-election for the ensuing four-year term.

Judge Persons has accepted our offer to give his candidacy such publicity as we deem proper and we urge all whose party affiliations will permit, to vote for him April 10th, and give his judicial work the splendid endorsement so clearly merited.

Lake Villa Men Preside At P. T. A.

Rev. Beuhler of Evanston to
Conduct Palm Sunday
Services

The P. T. A. held its regular meeting at the school house on Monday evening. The men of the group had everything in charge at this time, and put on an excellent program which consisted of several numbers from the grade school band directed by Mr. Hinton, tenor solos and horn solos by students of Grant high school. They were accompanied on the piano by Miss Elizabeth Valenta, also of Grant. Students from the same school also put on a splendid one-act play directed by Mr. Hills, the English teachers, and following this, a two reel Harold Lloyd comedy was shown. The men were also in charge of refreshments and did it wonderfully well. Mrs. Pinch, president of the P. T. A., presided over the business meeting. The P. T. A. is again taking charge of having pupils' teeth examined and cared for and Dr. Nehls reports a great improvement over last year, which shows that it pays. The group is sponsoring a public card party at the school on Saturday evening this week to raise funds for this purpose.

Rev. Beuhler of Evanston had charge of the services at the church last Sunday and he will be glad to welcome you next Sunday also. On the evening of Palm Sunday an Easter pageant, "The Challenge of the Cross," will be presented by the young people of the Epworth League directed by Mrs. Hewitt. During Holy Week services will be held at the church on Wednesday, Thursday and Friday evenings. The Fox Lake Choral Society will give a concert on Wednesday evening and the A. FARM AND GARDEN TOPICS

New Developments in Spraying
By C. L. Kuttel

New developments in spraying experiments call for the elimination of the dormant spray for scale insects.

Formerly a strong solution of lime sulphur or a heavy oil emulsion spray was applied early in the spring before growth started. This was done to kill scale insects such as oyster shell, scurvy, and San Jose scale.

It has been found that these scale insects can be more easily killed with a weaker solution at the time they emerge from under the scale, which happens to be during the first two weeks in June.

Fruit trees are being sprayed at that time anyway and hence a spray properly prepared can serve a double duty.

Since the dormant spray is eliminated, the first spray now recommended is the Cluster-Bud spray which comes when the buds show pink. Use a combination of Arsenate of Lead for insects and Bordeaux Mixture for diseases, as a spray at this time.

The next spray is the Calyx Spray which comes when most of the blossoms have fallen. The same mixture is used as for the Cluster-Bud spray.

After that another series of sprays may be applied about three weeks after the Calyx spray and every three weeks thereafter for at least three sprays.

Some people apply as many as seven sprays during the year.

Now in addition to the above combination of Lead Arsenate and Bordeaux Mixture, a summer oil may be added during the sprays that come the first two weeks of June. This will usually be the Calyx spray or the first of the three weeks sprays following. Be sure to use the summer oil and not the dormant oil spray. These oils can be secured on the market or from some of the reliable petroleum refinery companies. In any case, never use oil and lime sulphur together or immediately after each other. The Bordeaux Mixture serves the same purpose as the lime sulphur.

Normal College there for her final term which began on Monday, and after which she will be ready for teaching.

Mrs. Snyder of Waukegan visited her cousin, Mrs. H. J. Nelson, last Thursday.

H. S. Music Concert Accorded A Fine Response

Variety of Group and Solo Numbers Pleases the Audience

An appreciative audience which packed the high school gymnasium greeted the various musical groups of the Antioch Township high school in their presentation of the spring concert Friday evening, March 16.

The concert opened with a selection of marches by the band, followed by the mixed chorus with several numbers, including "On the Levee" which was sung with much spirit and smoothness, and a fine interpretation of the theme. The selected Girls' Glee Club and the regular Glee Club each sang three selections.

The concert was concluded by several popular selections played by the jazz band, including the haunting "Blue Hours," performed in a manner worthy of Wayne King disciples.

During intermissions, individual performances and solos of a specialty nature were featured. Miss Ruth Chinn, in a collegiate silver and scarlet costume, charmed the audience with toe dancing, and again as the spirit of "Blue Hours." Miss Gwendolyn Miller and Hans Von Holwede executed a brilliant piano duet, and Armand Dalgard gave a demonstration of his proficiency on the harmonica.

Vocal soloist was Miss Ruth Nelson, who sang in her usual delightful manner.

The vocal groups in particular showed a marked improvement over their performances last fall. All the groups are under the direction of Hans von Holwede.

The concert was followed by dancing, with music by the high school jazz band.

There will be no school at the Antioch Grade school on Good Friday, March 30, or Easter Monday, April 2. Due to an extended Christmas vacation at the high school due to CWA activities, the Easter vacation will be limited to Good Friday.

The Foods class at the high school were conducted through the Gelatine Factory at Grayslake Tuesday, twenty-three students and their instructor, Mrs. Ruby Richey, making the trip. A further report will be given soon by members of the class. They plan to visit the Packing House here tomorrow.

The Juniors were acclaimed champions in the intramural basketball contest held at the high school last week, winning in the final game from the Seniors, 33-13.

The Grant H. S. Dramatic Club of Fox Lake presented a one-act play during the high school assembly here Monday morning.

FENNEMA ELECTED PRESIDENT OF H. S. STUDENT COUNCIL

Harold Fennema, a senior at the Antioch Township High School, was elected president of the recently organized Student Council by a majority of votes last Thursday.

Other officers, who were elected from and by the members of the Council, which is composed of presidents of the four classes and all organizations of the school are: vice president, Paul Richey, president of the sophomore class; and secretary-treasurer, Jean Van Patten, president of the Pep Club.

The Council is busy at present drawing up a Constitution. Among the projects or work to be undertaken by the Council members are the sponsoring of the organization of a Tennis Club; arranging an exchange of assembly programs with other high schools; to direct practice dances for the Prom; and to discuss the adoption of the "buddy" system for next year. Under the "buddy" system, each incoming Freshman is assigned a big brother or sister to show him the "ropes" and act as adviser.

Announce Casts For Senior Play

Announcement is made this week of the selection of a double cast for the 1934 Senior Play, "Once in a Lifetime," which will be presented at the high school auditorium Friday and Saturday evenings, April 27 and 28, under the direction of Mrs. George Phillips.

The casts are as follows:

Bobby McInnes, son of S. J. McInnes, new manager of the Antioch Dairy Co., entered the first grade this week.	

WILMOT MAN IS INJURED AGAIN

Son Is Born to Mr. and Mrs. Carl Satterstrom March 19

Gene McDougall who has been making a slow recovery from an accident on November tenth in which he fell and broke a leg had the misfortune to fall again on Friday when walking through his barn with the aid of crutches. One of the crutches caught in some hay and he fell, partially opening the old break. Dr. Warriner of Antioch and Dr. Brannan, of Waukegan, were called to care for him. Mr. McDougall will again be confined to bed for several weeks.

Mr. and Mrs. Carl Satterstrom announce the birth of a son on Monday, March 19.

Union Free High School The honor roll for the past six weeks includes the following students: Robert Scott, Gerald Runyard, Arthur Nelson, Reuben Schaffer, Josephine Larwin, Lillian Fiegl, Kathleen Derler, James Yanke, Dorothy Pepper, Lois Pepper, Gertrude Nett, and Margaret Evans. These students all had averages of ninety or above in all subjects taken.

"Nancy Orr's Day" and "Thanks Awfully," two one-act plays presented by the members of the Junior class, under the direction of Miss Ruth Thomas, at the gymnasium on Friday evening drew a crowded house. The plays were exceptionally well presented and the students partaking received much praise.

The members of the Sophomore Class will present a minstrel show at the gymnasium this Friday evening. A clever program has been arranged for the evening and all are urged to attend. The show is under the direction of Alice Kuenzli. Gladys Buffon is in charge of the musical numbers.

Baseball practice has been started. The school team has a schedule of eight games arranged.

Mr. and Mrs. David Kimball attended funeral services for Charles Ford at Genoa City. Mr. Ford was a partner in the Ford and Hegeman Drug Store at Wilmot at one time.

Mrs. H. Frank, Mrs. F. Zarnstorf and Mrs. Ida Mecklenburg attended the funeral services of Henry Schultz at Richmond on Friday afternoon.

William Harm and Earl Harm motored to Yetter, Iowa, Wednesday afternoon. William Harm had received word that morning of the

burning of one of the houses on his farm at Yetter.

Mrs. William Harm, Mrs. Earl Harm and Mrs. H. Frank were at Lyons on Monday for the funeral services of Peter Clausen.

Mr. and Mrs. William Volbrecht gave a family dinner on Sunday for Mr. and Mrs. John Harm, Mrs. J. Collison and Frances Collison of Richmond; Mr. and Mrs. Fred Volbrecht, Pearl and Edwin Volbrecht, of Bassett, Norman Richter, of Twin Lakes, and Paul Volbrecht, of Antioch.

Mr. and Mrs. Walter Klein were in Chicago Monday to attend the funeral of Mrs. Klein's aunt, Mrs. A. Weber.

There will be confirmation services Palm Sunday, at the Lutheran Church starting at 9:30 in the morning. Leland Hasselman, Otto Hanke, Rodell Schenning, Herbert Gandt, Marie Wurster, Louise Neumann, Pearl Riemann, Valleda Johns, Helen Lubkeman, Velma Gruenwaldt, are to be confirmed.

Louis Anderson, of Terra Cotta, is a guest this week of Mr. and Mrs. Frank Kruckman. Mr. and Mrs. Anderson and daughter have just returned from spending the winter at Long Beach, Cal. Mrs. Anderson and daughter are with Richmond relatives this week. Sunday the Krucks

mans entertained at a dinner for Mr. Anderson with Mr. and Mrs. Lou Cole and Mr. and Mrs. Earl Hyde, of Crystal Lake as guests.

A number of friends surprised M. M. Schnurr Thursday night on the occasion of his birthday. Bridge was played and a lunch served.

Elaborate plans are being made for the Mothers and Daughters banquet on Thursday evening of this week in the high school dining hall. The affair is given by the men of the community and an interesting program is planned.

CHEVROLET factories are breaking records, trying to give America all the cars it wants. 4000 units a day are rolling off the assembly lines. In fact, more Chevrolets are now being produced than any other make of automobile in the world.

Naturally, Chevrolet is proud of the record its factories have made this year. Especially so, in view of the fact that the 1934 Chevrolet is not merely last year's model improved, but a basically new automobile throughout. Producing so many of these cars so early in the season, and producing them all up to Chevrolet high standards of quality, is nothing short of a real accomplishment!

Chevrolet takes this opportunity to thank the American public for the wonderful way it has received the 1934 Chevrolet car. And Chevrolet is happy to report, that with over 4,000 cars a day being built, dealers everywhere will soon be in a position to make immediate deliveries.

Count the cost of GRIME and WASTE!

AND YOU WILL SEE THE ECONOMY AND ADVANTAGES IN BURNING A CLEAN, EFFICIENT FUEL

How much does heating plant grime and waste cost you each season? Include heavy cleaning and redecorating bills, soot clogged heating plant and less heat per ton. When these items are figured in your heating costs—then it is clear why a grimy, wasteful fuel robs you of economical, efficient heating.

Save money

If you burn Waukegan Koppers Coke you not only save money

in heating—but cleaning and redecorating are kept at an absolute minimum. Waukegan Koppers Coke leaves few ashes—makes more heat per ton—comes no grime to soil your home—is easily regulated in all weather.

All sizes

There is a size Waukegan Koppers Goke for every heating plant. Call your fuel dealer for complete particulars—and ask him to recommend the most satisfactory size for your use.
